

S804M- 4 Channel Triplex MPEG4 DVR - With Remote Access, USB, IR Remote & Mouse

The 804M is part of the latest range of DVR's from Self Secure. Fantastic yet economical recorder with all the features and benefits of high end professional recorder.

- 4 Channel Triplex DVR
- MPEG-4 Compression Format
- Full remote access via web browser
- Remote live streaming audio
- Mobile phone and PDA remote access
- Half D1 recording with up to 100PPS in CIF mode
- Graphic User Interface (GUI) with mouse control
- IR Remote Control
- USB Backup both Video and Audio
- VGA output(Optional)

SUGGESTED USES:

- Small Retail outlets
- Domestic Homes
- Schools or nurseries
- Hotels, public houses
- Offices and small commercial sites

The recorder has an advanced high speed remote access facility built-in. No monthly subscription, no online time, all you need is an existing broadband connection and router. Using this feature you can fully control the system from any remote PC, Mobile Phone, Blackberry or PDA.

Not only that but you can also ask the system to send an email when motion is detected ensuring you never miss a thing. The perfect solution for any business!
