- BUILT-IN INFRA RED RANGE OF UP TO 40 METRES
- 480 TV LINES HIGH RESOLUTION
- IP 66 WATER RESISTANT HOUSING
- BUILT-IN 4-9MM VARI-FOCAL LENS
- CABLE MANAGEMENT BRACKET INCLUDED

SUGGESTED USES:

- Bars and restaurants where lighting levels are low.
- Builders and supply yards, barns, and factories.
- Office blocks / entrance and exits.
- School corridors and reception areas.
- Company Parking areas.
- Driveways and approaches.
- Front and back doors for domestic properties.

Internal installations?

This CCTV camera is perfect for low/zero light internal surveillance. Viewing down to 1 lux as standard, 0 lux with the IR active, this unit will provide excellent pictures at a lower light levels than most standard CCTV cameras.

External installations?

This CCTV camera comes complete with an IP66 external housing, making it ideal for external surveillance. The camera has 30 built-in IR illuminators, which will automatically enhance low light pictures over a 40 meter range. Please be aware that in areas prone to vandalism this camera will require added protection, as it is not vandal resistant.

Model No:	NV40VF
CCD:	1/3" Sony CCD
Picture Element:	PAL: 512(H) x 582(V)
Horizontal Resolution:	480TV Lines
Minimum Illumination:	0 Lux (With IR)
S/N Ratio:	>48dB
AGC:	Yes
Auto White Balance:	AUTO
Back Light Compensator:	Yes
Video Output:	1.2Vp-p, 75 Ohm , BNC connector
Power source:	DC12V
Power Consumption:	180mA ± 4mA
Focal Length:	4-9mm
Aperture:	F1.6
M.O.D:	0.1M
IR Lamps Irradiation Dist:	40M
IR angle of the IR LED:	30°
Temperature Range :	-10°C - +50°C
Humidity:	90%
